

SITF Deductible Recovery Policy & Schedule

Per COMAR section 9-107(c), "...the first \$1,000 of value of each loss, damage, or liability occurrence of a unit shall be paid from its appropriations in the State budget..."

Deductible recovery runs are processed three times per year in May, September and January by the Budget Management and Accounting Division to recover funds up to the \$1,000 deductible for all claims closed on behalf of an agency during that recovery period.

For accounting questions related to these transactions, please contact [Jessica Papaleonti](#) in the Budget Management and Accounting Division.

For specific claim questions regarding these transactions, please contact [Sharon Barry](#) in the Insurance Division.
